Southeastern Fishes Council Proceedings

Dedicated to the Conservation of Southeastern Fishes

CONTENTS

Reproductive Biology of the Frecklebelly Darter, <i>Percina stictogaster</i> (Teleostei: Percidae) <i>David J. Eisenhour, Audrey M. Richter, Lynn V. Eisenhour, and Carol-Rose Gingras</i>	1
Post-Hurricane Katrina Survey for the Blackmouth Shiner (<i>Notropis melanostomus</i>) at Historical Localities in Mississippi <i>Martin T. O’Connell and Ann M. Usee O’Connell</i>	9
Rediscovery of a lost Paratype of the Boulder Darter, <i>Etheostoma wapiti</i> <i>Michael H. Doosey</i>	16
Minutes, Business Meeting, 37th Annual Meeting, Southeastern Fishes Council.....	18
2011 Treasurer’s Report for the Southeastern Fishes Council.....	21

Annual Membership Fees

If you have not yet paid 2012 dues (or other dues in arrears), please send a check payable to *Southeastern Fishes Council* to Steve Rider, Alabama Division of Wildlife and Freshwater Fisheries, Fisheries Section, 64 N. Union Street, Suite 551, Montgomery, AL 36130.

Membership fees:

\$30 annual dues for regular members

\$15 for student memberships

\$40 for family membership (one copy of the Proceedings per household)

\$400 for a life-time membership

If you are uncertain regarding your status, email Steve Rider at steve.rider@dcnr.alabama.gov

38th Annual Meeting, Southeastern Fishes Council

The SFC met in New Orleans, LA on Thursday and Friday, November 8-9, 2012. The meeting program and abstracts are posted on our website <www.sefishescouncil.org>.

Student Award Winners

Poster Presentations

- 1st Place – Krista Boysen, St. Louis University. Evaluation of the southern-most population of the federally endangered Pallid Sturgeon, *Scaphirhynchus albus*: using an increased multi-locus dataset of microsatellites (with Robert M. Wood).
- 2nd Place – Kristen Pilcher, Austin Peay State University. Filling the gap: a survey of the Rutherford Fork of the Obion River provides new localities for 20 species (with Rebecca Blanton Johansen).
- 3rd Place – Jared Harris, The University of Southern Mississippi. Life history trait convergence in two species of the *Fundulus notatus* species Complex (with Jake Schaefer).

Oral Presentations

- 1st Place – Jessie Green, University of Central Arkansas. Examining community level variables of fishes in relation to natural gas development (with Ginny L. Adams and Reid Adams).
- 2nd Place – Lyndon Coghill, University of New Orleans. Phylogeography and genetic structure of a genetically distinct population of *Lepomis megalotis* in Cuatro Ciénegas, Mexico (with C. Darrin Hulsey and Steven G. Johnson).
- 3rd Place – Michael Schwemm, Oklahoma State University. Demographic history and population structure of *Notropis suttkusi* in southeastern Oklahoma (with A.A. Echelle and R.A. Van Den Bussche).

39th Annual Meeting, Southeastern Fishes Council

Please check our website (www.sefishescouncil.org) for the venue and date of the 2013 meeting.
