Report of the Secretary

Matt Wagner: The 2015 meeting minutes were approved by a majority at the beginning of the 2016 business meeting. No edits were made and minutes were subsequently uploaded to the SFC website. Much of the rest of the year was devoted to answering emails and dispersing messages to the membership via email. Most effort was made to communicate meeting announcements was focused on e-mail communication; however, posts were made to the SFC Facebook page as well. During the course of registering members for the 2016 meeting, issues with family memberships being able to register did arise and are being investigated.
