Southeastern Fishes Council Proceedings

Dedicated to the Conservation of Southeastern Fishes

CONTENTS

Population Status and Environmental Associations of the Rare Striated Darter, <i>Etheostoma striatulum</i> <i>Andrew C. Abernathy and Hayden T. Mattingly</i>	1
Conservation Status of the Longhead Darter, <i>Percina macrocephala</i> , in Kinniconick Creek, Kentucky <i>David A. Eisenhour, Audrey M. Richter and Joshua M. Shiering</i>	13
First Observation of a Natural Hybrid Between Endangered Roanoke Logperch (<i>Percina rex</i>) and Chainback Darter (<i>Percina navisense</i>) <i>James H. Roberts</i>	21
Minutes, Business Meeting, 36th Annual Meeting, Southeastern Fishes Council	29
2010 Treasurer’s Report for the Southeastern Fishes Council	32

Annual Dues

Please check your mailing label. Opposite your name on the mailing label is the last year for which we have a record of dues paid (or "9999" for lifetime members). If you have not yet paid 2011 dues (or other dues in arrears), please send a check payable to Southeastern Fishes Council to Steve Rider, Alabama Wildlife and Freshwater Fisheries Division, 64 N. Union Street, Suite 551, Montgomery, AL 36130, (334) 844-8978. Dues are \$30.00 per year for regular members and \$15.00 per year for students. If you are uncertain regarding your status, email Steve Rider at Steve.Rider@dcnr.alabama.gov.

37th Annual Meeting, Southeastern Fishes Council

The SFC met in Chattanooga, TN on Thursday and Friday, November 9-10, 2011. The meeting program and abstracts are posted on our website <www.sefishescouncil.org>.

Student Award Winners

Oral Presentations

- 1st Place - Loren Stearman, University of Central Arkansas. Life history of the redbelt darter, *Etheostoma whipplei*, in central Arkansas (with Ginny Adams)
- 2nd Place - Brook Fluker, University of Alabama. Spring-adapted species as a model for understanding the genetic consequences of aquatic habitat fragmentation (with Bernard R. Kuhajda, and Phillip M. Harris)
- 3rd Place - Mark Hoger, Austin Peay State University. Inter-seasonal movements of Etheostomatinae darters in Yellow Creek and Whiteoak Creek, Tennessee (with Rebecca Blanton)

Poster Presentations

- 1st Place - John Johansen, Tennessee Tech University. Development of species-habitat models to inform conservation planning for freshwater species covered by the Cumberland Habitat Conservation Plan (with Hayden Mattingly)
- 2nd Place - Laura Stewart, University of Southern Mississippi. Body shape and burst-swimming performance in the *F. notatus* complex: A tale of two tails (with Nathan R. Franssen and Jake Schaefer)
- 3rd Place (tie) - Zach Martin, University of Florida. A preliminary investigation of the morphological diversity of genital papillae in *Etheostoma* and its association with spawning behavior
- 3rd Place (tie) - Matthew Wagner, Austin Peay State University. Utility of amplified fragment length polymorphisms in a phylogeographic study of the redband darter, *Etheostoma luteovinctum* (with Rebecca Blanton)
- 3rd Place (tie) - Christopher Yates, Kennesaw State University. The effects of urbanization on food sources and gut morphology in largescale stoneroller (*Camponotoma oligolepis*) (with Troy Mutchler and William Ensing)

38th Annual Meeting, Southeastern Fishes Council

The SFC will meet on Thursday and Friday, November 8-9, 2012 in New Orleans, LA. On Saturday, November 10 there will be a memorial dedicated to the life of Dr. Royal D. Suttkus. Please check our website <www.sefishescouncil.org> periodically for updates.
